

## Information for Artists Considering Participation in the Sunriver Virtual Art Fair on Eventeny

1. [Eventeny](#) is an online software platform that hosts artists' "shops" and art fairs.
  - You own your shop and you can modify it at any time.
  - There is no charge for creating your virtual shop on Eventeny.
  - Your shop is only open to the public during the art fairs to which you have applied and been accepted.
  - Your shop remains on the Eventeny site after the SRAF ends.
    - You can apply to participate in other art fairs hosted on Eventeny.
    - Each fair has its own requirements for artists to participate in their event.
    - Artists can participate in more than one art fair at the same time.

2. You create your shop on Eventeny. A range of resources are available to assist you including:
  - Instructions for building your shop are posted on the [SRAF website](#).
  - E-mail and chat help to assist with shop construction.
  - Instructional videos for building your shop are posted on Eventeny.
  - Additional resources to help you maximize your success.
3. You manage packaging and shipping, including costs, for all items you sell on Eventeny.
  - Shipping options include free, fixed, calculate, and self-delivery.
  - If you choose the calculate option, you provide product weight and dimensions for each item. Eventeny auto-calculates shipping costs to a specific address.
